# Vehicle Export Shipping Guide

This guide explains how dealerships ship vehicles to overseas buyers.

## 1 Documentation

Every export shipment needs the documents below before the vehicle reaches the port.

### 1.1 Export Certificate

The export certificate cancels the local registration. Apply through the traffic authority at least 5 working days before shipping. It costs 200 dirhams.

### 1.2 Bill of Lading

The shipping line issues the bill of lading after loading. The original must be couriered to the buyer, or a telex release requested.

### 1.3 Certificate of Origin

Issued by the chamber of commerce within 2 working days; it is required by Borovia and Dunmark.

## 2 Shipping Methods

### 2.1 RoRo

Roll-on/roll-off is the cheapest method. The vehicle must be driveable and must not carry personal belongings. Typical transit to the Arland port is 12 days.

### 2.2 Container

A 40-foot container holds up to four cars. Container shipping allows personal items in the cabin and suits damaged or non-running vehicles.

### 2.3 Air Freight

Air freight is used only for urgent, high-value orders. The battery must be at or below 30 percent charge for electric vehicles.

## 3 Destination Requirements

Rules change often; confirm with the destination agent before allocating a vehicle.

### 3.1 Arland

#### 3.1.1 Age Limit

Maximum vehicle age: 8 years.

#### 3.1.2 Steering

Left-hand drive only.

### 3.1.3 Inspection

Pre-shipment inspection by an approved agency is required.

### 3.1.4 Duty

Import duty is 5 percent of the CIF value.

## 3.2 Borovia

### 3.2.1 Age Limit

Maximum vehicle age: 5 years.

### 3.2.2 Steering

Left-hand drive only.

### 3.2.3 Inspection

Inspection on arrival at the port of entry; no pre-shipment check.

### 3.2.4 Duty

Import duty is 20 percent; electric vehicles are exempt.

## 3.3 Cestria

### 3.3.1 Age Limit

Maximum vehicle age: No age limit.

### 3.3.2 Steering

Left- or right-hand drive.

### 3.3.3 Inspection

Pre-shipment roadworthiness certificate required.

### 3.3.4 Duty

Import duty is 25 percent, plus 5 percent excise for vehicles above 3 tonnes.

## 3.4 Dunmark

### 3.4.1 Age Limit

Maximum vehicle age: 3 years.

### 3.4.2 Steering

Right-hand drive only.

### 3.4.3 Inspection

Pre-shipment inspection including radiation screening.

### 3.4.4 Duty

Import duty is 10 percent of the CIF value.
